Hello,

Would your company consider providing an auction item donation for our charity auction events?

Dreams Take Flight Calgary has been taking children with special needs to Disneyland or Universal Studios for 30 years. Our goal in 2024 is to take 120 children from southern Alberta for the day of their young lives at Universal Studios Hollywood. We need your help to make this happen!

Dreams Take Flight is a Canadian nationally registered Children's charity. The volunteers from the local chapter, Dreams Take Flight Calgary, raise money to take deserving children with special needs from southern Alberta to Disneyland or Universal Studios Hollywood. These children are all unique in that they have either medical, mental, physical, emotional or social challenges. This one day all expenses paid trip for the children to enter Universal Studios Hollywood is truly a once in a lifetime experience.

Some of the many organizations that nominate the children we take are the Alberta Children's Hospital, Hospice Calgary and the Canadian National Institute for the Blind.

Our two fundraising events in 2024 are a golf tournament on July 25 and an online auction that will be open from July 21 to September 7. The donor's name and a link to their website will be included with each donation in the online auction.

All of the people involved with Dreams Take Flight are volunteers, including the pilots, flight crew, and doctors. Everyone donates their time for the charity.

If you have any questions, please do not hesitate to contact us at rob.perry@blacktiebluejeans.ca.
